

DIGITAL AV SUMMER SCHOOL

You are cordially invited to spend a few days in the beautiful
Peak District of Derbyshire, honing your digital AV skills

Monday 26th to Thursday 29th July 2010

with

Keith Brown FRPS FIPF EFIAP MPAGB APAGB
Richard Brown FRPS FIPF EFIAP APAGB

Two of the UK's best-known AV workers will once again be leading a Summer School following last year's successful event. The format will be similar to previous Hope and Dyffryn Summer Schools led by Keith and Richard. A mixture of lectures plus showing, discussion and hands-on work on your own sequences. Plus the opportunity to explore the beautiful surroundings of the Hope Valley and bring back pictures to create an AV during the event. Participants are encouraged to bring their own laptops and software, and of course cameras, for help and advice.

Venues: Accommodation and meals will be in The Woodbine, three adjacent B&B cottage in the centre of Hope (www.woodbine-hope.co.uk). Tutorials will be in The Old School, a comfortable meeting room just across the road. The Summer School will start at 2pm on Monday 26th and finish on the afternoon of Thursday 29th July 2010.

Terms: £195 per person to include three nights B&B, dinner each evening and all tuition. (Based on two people sharing a double or twin room.) Single rooms may be available at cost of £240 per person.
